

## YOU MUST RAKE BUNKERS, REPLACE ALL DIVOTS AND REPAIR PITCH MARKS ON THE GREENS.

- 1** A picturesque tee shot. Lay up short of the central rock and tree outcrop, to leave a flighted short iron to the green.
- 2** OB right is the danger of the tee. A long uphill second leaves a short pitch over a nest of sand traps.
- 3** Anything straight is good off the tee! The green faces you, so pitch your second up to the flag.
- 4** Avoid the bunkers and live an uphill putt on this testing par 3.
- 5** Nice and wide for the drive. Stay a little left for the approach shot.
- 6** Drive needs accuracy, the rest is wide enough to open the shoulders.
- 7** Looks shorter than it is. Big green.
- 8** Best not to cut the corner. Easy par 4, if you are on the right of the fairway with the drive.
- 9** Very nice hole, don't try to get to far with the drive, stay left everything rolls down to the fairway.

ALL DISTANCES ARE MEASURED FROM THE MARKED POINT  
IN THE TEES TO THE CENTRE OF THE GREEN.

<b>1</b>	Missing the fairway traps sets up an uphill pitch requiring length judgement.	
<b>2</b>	Another testing drive to set up an approach from the angle of the dogleg. Favour the right with your second shot.	
<b>3</b>	A chance for a big tee shot downhill. Still requires good touch on an high flighted second shot.	
<b>4</b>	One of the world's great par 5 holes. Lots of ways to play it but all you need is straight measured shots.	
<b>5</b>	Choose your club and make a good swing. Not for the nervous!	
<b>6</b>	A well positioned tee shot to the corner of the left hand dogleg, leaves an iron shot to a mounded green.	
<b>7</b>	A testing, picturesque par 3, requiring a carrying shot to reach the green.	
<b>8</b>	A drawshot round the dogleg or a lay up level with the fairway bunkers, sets up a testing pitch shot.	
<b>9</b>	Look at the wind. The carry over trees needs the wind behind. The second shot is deceptive to a long green.

**YOU MUST RAKE BUNKERS, REPLACE ALL DIVOTS AND REPAIR PITCH MARKS ON THE GREENS.**

**10** A sharp dogleg right, requiring a precise drive and then an accurate shot to the green.

**11** Make a good carrying strike, better long than short.

**12** Reachable in two with the right wind. A testing green to hit with any club.

**13** It's not a long hole but quiet a challenge. Avoid the lake and hazard area on the left, but don't go too much to the right.

**14** Can be reached in two if the wind helps. Try to approach the green from left to right.

**15** Great downhill par 3, a good strike saves a sandy fate.

**16** The bunkers and trees on the right of the fairway are to be avoided. Uphill short iron plays long.

**17** Another test of shotmaking or more time on the beach.

**18** A true par 5, anything long and straight works on all three shots!
